- Continuous improvement
- Exploring Microservices Architcture

REFERENCE

Name : Srin Nalen
Team lead , KRU IT Solution
Phone : 087294774
Email : nalensrin480@gmail.com

PROFILE

Motivated third-year Information Technology student at the Royal University of Phnom Penh with hands-on experience in PHP, Laravel, React.js, JavaScript, MySQL, and PostgreSQL. Completed a Backend Developer internship where I gained experience building REST APIs, working with databases, and collaborating in a development team. Seeking a Software Developer intern position to continue developing my technical and professional skills.

WORK EXPERIENCE

Backend Developer Internship Feb 2026 — May 2026
School Management System , KRU IT Solution

- Developed authentication, authorization, and CRUD APIs.
- Practiced Git/GitHub workflow and team collaboration.
- Improved API validation error handling, and secure authentication.
- Collaborated with the team on database design, API development.

PROJECT

Room Booking Management System (React js ,Laravel, Jwt, PostgreSql)
